 25X1	8 July 1967	
	Subject: Contract  Dear Sir:	25X1
	It is obvious that your letter of 30 June 1967 crossed in the mails our letter of 29 June 1967 concerning the subject contract.	25X1
25X1	As stated in our 29 June letter, no overrun is anticipated pending final review of the technical problems on Model As soon as that technical review is completed, we will notify you whether additional funds are required.	
	Very truly yours,	
	Executive Vice President	25X1

25X1  25X1  Subject: Contract  Dear Six:  Flease excuse our delay in answering your letter with respect to the possible overrun condition on subject contract. This letter was received at approximately the same time as we received a contractual amendment covering a requested overrun on this contract. Since receipt of the letter we have been watching the expenditures on this contract on a weekly basis and wish to report at this time that, pending unforcemen difficulties, the contract will be accomplished within the present available funds. Attached hereto is a financial report of costs through 18 June and an "Estimate to Complete." Please note that the "Estimate to Complete" is within of the target cost on subject contract.  As you know, Model (ADVANCED TILT TOP LIGHT TABLE) and Model ADVANCED FILM-VIEWING LIGHT TABLE DESTANCES IS expected to be delivered and he very near future. Your technical personnel plan to visit at our plant.  We understand there are some difficulties with respect to the Model and are not in a position at this time to determining the presence at your facility for acceptance tests of that model, we will devote time to determining the problems on the Model If these problems require extensive rework or extensive test time in Washington, we will then have to request additional funds. If the problems are of a minor nature, however, sufficient	25X1	Approved For Release 2003/01/28 : CIA-RDP78B04747A003000040020-3
